KEEP THE MUSIC PLAYING - SUPPORT THE PSO

This past year of the COVID-19 pandemic has been very challenging because the full orchestra has not been able to rehearse or perform together. We hope you are “weathering this storm”, and if you have faced any difficulties please accept our sympathy.

In order to prepare for the coming fiscal year and concert season **WE NEED YOUR FINANCIAL SUPPORT!** While we have received some donations during FY20-21 (MANY THANKS IF YOU HAVE ALREADY DONATED), our ticket sales and fundraiser income plummeted due to the inability to have in-person events.

We have basic annual expenses to budget for in FY21-22 including stipends for the music director, some musicians, orchestra staff, and administrative staff; purchasing music; licensing fees; rental of performance space; advertising; office rent; supplies; postage; and printing.

In addition, several board members are currently working on a special video project: “The Impossible Dream”. This will be a video documentary about the creation of the Petersburg Symphony Orchestra, fulfilling the vision of its founder, Dr. F. Nathaniel Gatlin. The documentary will cover the early efforts leading up to the Orchestra’s inaugural concert through its current musical offerings. If you would like more information about or are interested in financially sponsoring this project, please contact Florence Rhue, Board Vice-President, at rhues2@verizon.net or (804)931-7778 (cell). Stay tuned for more information on date, time, and ticket prices.
